Why Choose Bymead House Nursing Home?

- **Team dedicated to care**
All our staff are dedicated to care in the same way our management team is. We have dedicated our lives to caring for those who need us.
- **Championing quality of life**
We don't just want residents to exist in our homes, we want them to thrive with an improved quality of life. This is what drives every decision we make.
- **Constant training & improvement**
Our staff undergo consistent training and improvement, we are committed to superior care on a level few can compete with. Constant improvement and implementation of latest care methods is part of this.
- **High standard, always**
From our owner, all the way down, commitment to high quality, unmatched care and attention to detail filters throughout everything we do. It is what makes the BN Care Group, and Bymead House, a leader in its field.

OUR CARE

A Home from Home

Each resident's room provides a 'home from home' environment, which allows the individual to personalise their own space with their own personal belongings. Nursing care allows residents to be independent where possible but are supported by staff to their specific care needs. Many of our residents choose this type of accommodation for the excellent nursing care, community atmosphere, and a feeling of being safe and secure.

Living at Bymead

Bymeads ethos is a truly home from home atmosphere where the staff are privileged to work within the resident's home, caring for them. We provide highly professional and exclusive care for the elderly with a personal touch. We have qualified staff and registered nurse on duty 24-hours a day providing full nursing care.

Support & Independence

Bymead House holds regular residents' meetings to ensure all residents are given a safe space and a voice. Residents can participate and have an active part in arranging activities, changes within menu choices and reflective discussions about the home, covering all departments and care received.

Respite Care

Caring independently for a loved one can be challenging at times and it is important to choose the right care so you can take regular breaks to recoup. We offer short term residential stays to support carers, and allow them time to rest, confident that their loved one's individual needs are being cared for by our dedicated staff.

Palliative Care

We are committed to providing end-of-life care for your loved ones. Our staff are trained to care and understand the importance of receiving good end of life care, not just for the resident but for their loved one. Bymead house has a registered Nurse on duty 24hrs a day to ensure are residents final journey is not just dignified and their wishes respected but as comfortable as possible. We also have outside medical professionals to support the home in providing the best end of life care

ACCOMMODATION

Warm & Welcoming

The home benefits from a main large lounge, a quieter smaller lounge with dining area and a conservatory that have beautiful views over the surrounding countryside to include Marshwood Vale and Stone Barrow, with sea views from the first floor.

On Site Salon

There is a dedicated salon within the home to give our residents the full hairdresser experience. The hairdresser visits the home once a week. All our residents are able to book weekly appointment slots if desired and undergo a full pamper experience with nails and beard trimming, at an addition cost.

Home Comforts

All rooms are equipped with hospital beds and mattresses to meet residents' individual needs as well as a telephone, and television.

Residents are encouraged to personalise their own bedrooms with small items of furniture, artwork, ornaments, and photographs.

Both floors are accessible by a passenger lift to allow those with decreased mobility to access all parts of the home freely.

Our Gardens

We have a beautiful garden area equipped with a winding pathway, vibrant flower beds, and a shaded sitting area under a charming parasol—perfect for peaceful relaxation and enjoyment of nature's beauty. Our gardens are thoughtfully designed to be fully accessible, ensuring that all residents can experience the joy of the outdoors.

Cherished & Accessible

There are 30 single bedrooms 27 of which have ensuite facilities, over two floors. All are central heated with nurse call bell systems, which are connected to the staff's handheld devices, enabling staff are reactive to resident needs without the disruption of bells ringing throughout the home.
